

Thank you for participating as a member of the Observer Corps for the League of Women Voters of the La Crosse Area. Our goal is to educate LWVLA members on local government activities with the potential to refer topics for further study and advocacy.

Your Name: Jan Gallagher and Jean Hammons

Name of Governmental Body (City/County/Town) Board or Committee: La Crosse County Comprehensive Plan Advisory Committee (CPAC)

Time and Date of Meeting: June 24, 2021

Meeting Content

*Committee Chair, Monica Kruse, read a statement recognizing the long stewardship provided La Crosse County by the Ho Chunk Nation, underscoring the stake the Nation continues to have in land use policy.

* Charlie Handy gave an overview of the Existing Conditions Report. He noted that about half a dozen chapters are 50%-85% complete, the majority at 95%. To attain 100%, public input will be solicited on every chapter.

* In an Introduction to Farmland Preservation Charlie Handy listed multiple stakeholders in the farm community who are being surveyed about farmland preservation. Surveys will be completed during in-person workshops or online.

* Committee members divided into three small groups (rural, urban, urban-rural). They reviewed lists of features that describe their particular region of La Crosse County. They brainstormed: 1. balancing town/municipalities autonomy vs redundant infrastructure and multijurisdictional plan and policies; 2. achieving sustainable, collaborative & respectful boundary agreements that guide future land uses; 3) identifying data and information needed to create such policy.
